Parents of Elementary and JHS

KANI CITY BOARD OF EDUCATION

School Activities from September 13

9月13日からの学校の活動について

As you may be aware, a reduced number of students per class (until September 10th), health monitoring through check card and irregular school commuting hours are one of the current measures against the Coronavirus infection.

Even though we have informed that normal classes/activities are expected to resume on September 13th (Mon), in order to further prevent against infection spread, this “return to normalcy” process will be conducted in a gradual manner, as described below. Moreover, in case the school/board of education acknowledges a possible infection spread in a school, a temporary suspension of a particular class or one whole grade classes may be adopted.

Process period: **September 13 (Mon)~September 17 (Fri)**

Contents

- **School commuting (home to school) will be conducted as usual**
- **Classes will be held in the morning only**
- **~~Students will be dismissed after eating the school lunch~~**

(Students are required to eat lunch quietly)

※Normal school life is expected to resume on September 21* (Tue),

*Subject to change, according to infection status)

Infection Prevention Measures

- Fill out the health check card and measure child's body temperature.
- Child should use a face mask, wash and disinfect his/her hands.
- Restrictions regarding group activities and interaction with other classes.
- Club activities will be canceled (except in case of championships).

To parents:

- **Do not send the child to school if he/she or a family member is not in a good health condition or took a PCR test.**
- **If you are not willing to send your child to school due to infection concerns, it will not be considered as “absence”.**
