

蘇南中学校 タブレットルール SONAN JHS TABLET/IPAD Rules

The tablet has been loaned/borrowed from Kani City for the purpose of 「learning」 .
Therefore, we will follow the following rules so that everyone **can use the tablet with safety.**

- The basic use is for research and summarization for learning purposes. Do not use it for purposes other than learning, such as listening to music or watching videos.
- To be used at 「school」 and 「home」 . Usage will not take place during commuting (going to school/going home) or in other facilities.
- The storage location will basically be the tablet storage.
If you want to take it home, you will need to ask permission by application to the teacher as like before.
- In case of using at school, it can only be during classes.
However, in cases such as morning meetings, lunch breaks, or club activities, it can be used if permission is granted by the teacher upon application.
 - ① When I want to create documents for the activity committee.
 - ② When I want to create documents for research activities at ST.
 - ③ When I want to use them for creating works in club activities.
- When using the camera, do not take pictures of people. Furthermore, do not save the images taken on other devices or upload them to social media.
- Do not change the initial settings such as the password or the home screen
- Do not download data that is posted online.
- Do not arbitrarily touch someone else's tablet or borrow and lend touch pens.
